## 2022 - 2023

We are delighted to announce that we, Swalecliffe Community Primary School, have achieved the School Games Platinum Mark Award for the 2022 – 2023.

The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. To achieve the PLATINUM LEVEL, the school must have successfully held a Gold award during the previous five academic years.

We were assessed in the following areas:

- Commitment to a minimum of 2hrs of physical education per week
- Participation in intra-school competitions (within school)
- Participation in inter-school competitions (external competitions)
- Leadership schemes
- Extra-curricular clubs
- Promotion of external providers

Our sporting achievements this year include:

With a total of 259 Swalecliffe pupils competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.
