Coffee Morning - Macmillan Cancer Support - Thursday 28th September

Our coffee morning in the KS1 hall this term is in support of Macmillan cancer support. Please come and join us for coffee and cake to raise funds for Macmillan from morning drop off until 9.30am.

Why come in for coffee on Thursday 28th September?

- raise funds for Macmillan
- meet other parents
- chat to friends with a cup of coffee or tea and some cake
- celebrate that it's nearly Friday
- ask questions and share experiences
- have a relaxing moment just for you!

Thursday coffee mornings are very informal and Mums, Dads, Grandparents, Carers, Aunties, Uncles and friends of the family are ALL very welcome.

Cake donations, homemade or shop bought will all be gratefully received, but please ensure they do not contain any nuts to follow our school policy of being a nut free zone. Cake donations may be dropped off on Wednesday afternoon from 3.00pm or after 8.15am on Thursday morning in the Infant Hall

Important information – Home School Agreement, Uniform and Homework

Every year, we expect families to read and sign the 'Home-School Agreement'. To do so, please use the following link: [Home School Agreement and ICT/e-Safety Form](#)

It is essential that we work together as a team and the Home-School Agreement outlines how we do this.

School uniform is an important aspect of how we do this and the following link will take you to our school expectations and rules:

As part of our home-school agreement, families agree to be responsible for children completing homework. Homework is set every week for Spelling and Maths, as well as children reading at home.

Message from the Year Group Teachers...

Welcome back! We hope you all had a lovely summer. The children have all settled into year 2 well and we are excited for a fun year ahead. Now the weather is turning wetter, please can children come prepared for this with a suitable named coat as we try to make the most of our outdoor spaces as much as we can. If your child would like to bring a water bottle into their class, please ensure they are able to use it independently. A sports spout is the best. This term as part of our geography topic we will be learning about human and physical features in and around our local area. In preparation for this, if possible, could you please go for a walk around Tankerton with your child and talk about the man made and natural features you see.

Thank you,

Mrs Duley, Mrs Davies, Miss Fry and Mrs McLean.
