

School Closure

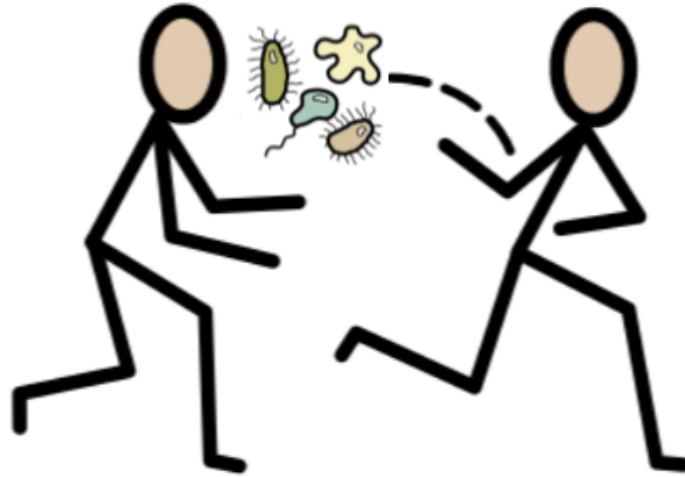

Coronavirus

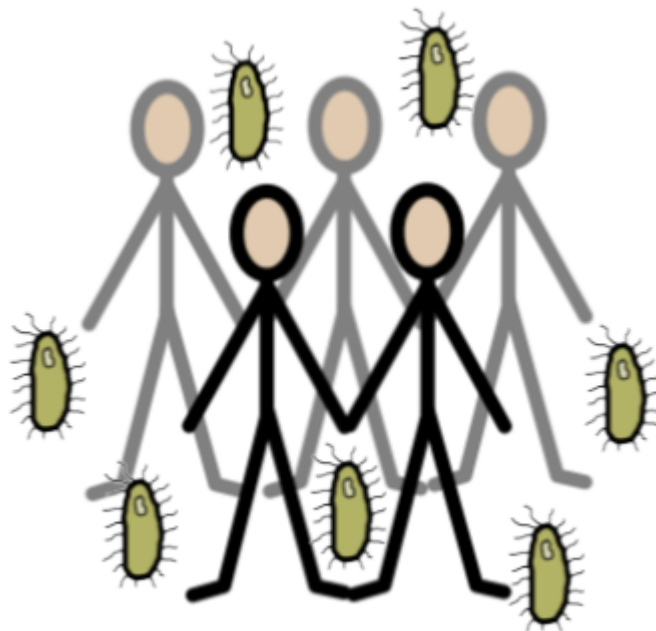

My school will be closing at the end of the day on Friday 20th March because of the Coronavirus.

Coronavirus can pass from one person to another.

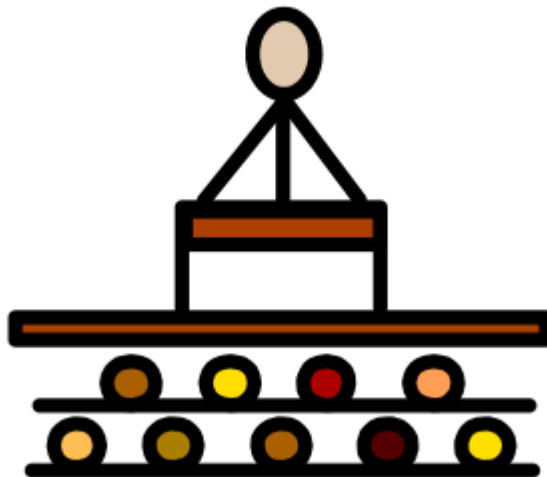

Coronavirus can pass more easily in big groups.

At the moment, it is best to not be in a big group.

We have big groups at school.

So, school is closing for most children.

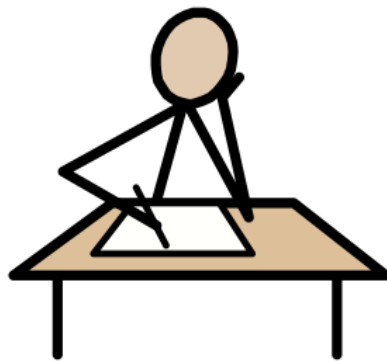

I will stay home for a few weeks.
This is okay.

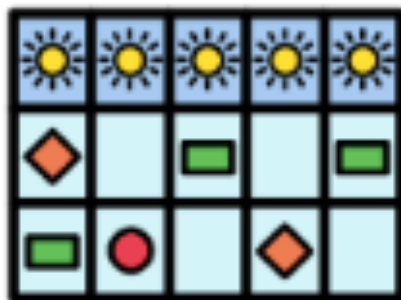

I will be at home, but it will still be "term time".

Unless it is a school holiday, it is important to have some learning time each day.

My school will send home work for me and the adults at home will let me know what I need to do and when.

My family and my teachers want me to stay healthy.

When people start to feel better, it will be ok to be in groups again.

My school will be open again.

Things will go back to normal, and
I will see my teachers and my
class-mates again!
