Message from the Year Group Teachers

Dear Parents / Guardians,

Welcome back! We hope you had a wonderful half-term break.

This term Year 4 will complete the Multiplication Tables Check (MTC) which will take place next week. Thank you for all your continued support in preparing children for this.

Thank you for all of those families and friends of our Year 4 children who have supported our sponsored 'Marathon a Day' challenge. We are pleased to say that our grand total was just over £500, to support our Whitstable Carnival preparations and individual class charities. This term, we are looking forward to completing our next Life Skills Challenge - Making a Positive Contribution to the Wider Community- by getting involved with the Whitstable Carnival. This takes place on Saturday 1st August 2026

in the evening- please see the separate email that has been sent. The link will close on Monday 15th June 2026.

We hope the weather will continue to improve and that there will be lots of opportunities for learning outside. As it starts to get warmer, please remember to apply sunscreen accordingly and bring in a water bottle. We also look forward to the annual summer events at school, including Sports Day.

Thank you for your continued support,
Mrs Bradley, Mrs Jones and Miss Smith

Homework Guidance

As part of our home-school agreement, families agree to be responsible for children completing homework. Homework is set online every week for Spelling and Times table practice, through Spelling Shed. (Log-in details can be found in their reading record book). In addition to this, we value reading as the most important home activity and would expect that children read at home every school day. Please use the following link to read through our homework expectations: <https://www.swalecliffeprimary.org/parents/homework>
